

Annual Report of Nadvathul Islam English School (NIES) - 2024

It is with great pride and immense pleasure that I present the Annual Report of Nadvathul Islam English School (NIES) for the academic year 2024. This year has been a significant chapter in our school's journey—one marked by growth, collaboration, and a deepening commitment to providing holistic education. As we reflect on the achievements, we not only celebrate academic excellence but also the all-encompassing development of our students, who continue to thrive in sports, culture, leadership, and community engagement. Each milestone this year has been a testament to the combined efforts of our students, teachers, parents, and the entire NIES family.

Academic Achievements

The academic year commenced on June 1, 2024, with a clear vision of fostering creativity and intellectual curiosity in our students. The results from this year's academic endeavors reflect our students' hard work and dedication, alongside the tireless efforts of our educators to cultivate a rich learning environment.

- **100% Results:** NIES achieved a remarkable 100% success rate in the CBSE 10th Board Examinations, with all students securing First Divisions.
- **Distinctions:** Out of the 17 students who appeared for the examination, 5 earned distinctions in various subjects.
- **Top Performers:** Ms. Khadeeja Ruksana topped the school, showcasing outstanding academic excellence, while Ms. Anamika R achieved full A1 grades, reinforcing our belief in the potential of every student to reach the pinnacle of success.

These results serve as a milestone, but we continue to strive for excellence with an eye on the future. In addition to regular coaching and counseling, the school is continuously enhancing its academic support system to help students reach new heights.

Sports Achievements

At NIES, we believe in the transformative power of sports to shape character, foster teamwork, and build resilience. This year, our students have continued to excel, with notable successes across a range of sporting events.

- **National Amateur Sports Competition (RAGA):** Akarsh Rajendran and Karthik Pradheesh represented NIES at the prestigious National Amateur Sports Competition in Gujarat, showcasing their extraordinary talent on a national platform.
- **CBSE Sahodhaya Sports Competition, Alappuzha:** NIES clinched the **Under-12 Overall Champions** trophy, a result of dedication, teamwork, and commitment to excellence.
- **Best Athlete Award:** Muhammed Mukthar earned the title of Best Athlete 2024 for his exceptional performances across various sports.
- **State-Level Selections:** Akarsh Rajendran, Master Jahfer, and Ms. Haifa earned state-level selections for High Jump and Long Jump, reinforcing our commitment to nurturing athletic excellence.

NIES Sports Academy: Empowering Future Champions

In our continued commitment to fostering sports talent, we proudly launched the **NIES Sports Academy** this year. The academy aims to provide expert training to students not only from NIES but also from nearby and far-reaching areas, offering a comprehensive program in athletics and other sports disciplines.

The NIES Sports Academy will train students in:

- **Athletics**
- **Football**
- **Basketball**
- **Kho Kho**
- **Police Training** (specialized physical training in coordination with local law enforcement agencies)

The academy is designed to cater to young athletes, helping them hone their skills under the guidance of qualified coaches and trainers. Whether aspiring to compete at the state or national level, students will be provided with the resources and mentorship they need to excel. Through this initiative, we aim to expand the reach of NIES's sports program and nurture the next generation of champions.

Coffee Mornings: A Stage for All Students

This year, we introduced **Coffee Mornings**, a platform for every student, regardless of their academic or extracurricular achievements, to showcase their talents. Whether through music, dance, drama, or poetry, students are given the opportunity to shine in front of their parents and peers.

These Coffee Mornings have been designed to celebrate every student's unique abilities and boost their confidence. After each event, parents engage in discussions about the positives and areas for improvement within the school. These feedback sessions are an invaluable resource, providing insights into how we can further upgrade and enhance our educational and co-curricular offerings.

School Houses and Leadership

Our four houses—Agni, Sagar, Pavan, and Prithvi—continue to provide a platform for students to nurture leadership, teamwork, and responsibility. Through inter-house competitions, students learn the importance of collaboration, competition, and collective effort.

- **House Competitions:** This year, Sagar House emerged as the overall champion in the inter-house competitions, followed by Agni and Pavan Houses. These competitions help instill values of leadership, discipline, and mutual respect among our students.

Co-Curricular Activities

Co-curricular activities are integral to a holistic education, helping students discover their creative and leadership potential. This year, NIES organized a variety of exciting events:

- **English Club Competitions:** Students participated in literary events such as the *Cinderella Room* and *Seven Ages of Man*, demonstrating their creativity and passion for literature.
- **FM Radio Launch:** The Literary Club launched the school's FM radio station, providing a platform for students to explore broadcasting, media, and public speaking.
- **Cultural Events:** The Eid Card Making Competition, Arabic Food Fest, and Mehendi Designing competition were among the many events that celebrated the diversity and cultural richness of our school community.

Field Trips and Educational Tours

We believe in the power of experiential learning to broaden the minds of our students. This year, our students had the opportunity to embark on educational trips that took them beyond the classroom and into real-world learning experiences.

- **Educational Visits:** Students visited local institutions like the Police Station and Post Office, gaining hands-on knowledge about civic duties and community roles.
- **Annual Educational Trip:** Our students enjoyed a memorable trip to Chittilapally Square, Silver Storm Amusement Park, Mysore, Wayanad, and Malappuram, where they learned while exploring new places and forging deeper bonds with one another.

Special Initiatives and Events

This year, we launched several new initiatives that enriched our school experience and helped foster a culture of social responsibility and sustainability:

- **Math Day:** The school celebrated Math Day with engaging activities, including mathematical dances and an exhibition showcasing the beauty of mathematical concepts.
- **Environmental Day & Science Club:** The Science Club inaugurated a vegetable garden, fostering sustainability among students. Programs on drug abuse prevention, fire safety, and deworming were also organized to promote awareness on student well-being.
- **Robotics Club:** The Robotics Club achieved impressive milestones this year, with students building a robotic compass and dancing turtles—examples of the innovation and hands-on learning encouraged at NIES.
- **Social Outreach – “Oru PIDI Nanma”:** Through the "Oru PIDI Nanma" initiative, students were encouraged to give back to their communities, strengthening our commitment to social responsibility.

Staff Development

The success of NIES rests upon the dedication and expertise of our staff. This year, our teachers participated in various professional development workshops to enhance their teaching skills and stay updated with the latest educational trends. Our **Learn to Teach** program, a peer-support initiative, has further

strengthened the professional development of our educators, ensuring that they are equipped to meet the evolving needs of our students.

Infrastructure Development

We continue to invest in our school's infrastructure to ensure that our students have access to the best resources for learning and growth.

- **Upgraded Labs and Facilities:** The computer lab, science labs, and library have been upgraded, providing students with access to cutting-edge resources.
- **Smart Classrooms:** Our classrooms have been transformed into digitally equipped spaces, integrating technology into the teaching-learning process.
- **Sports Facilities:** Our sports ground has been expanded, providing ample space for physical education classes and extracurricular sporting events.

Awards and Recognition

This year, NIES has earned recognition both at the regional and national levels, solidifying our place as one of the leading educational institutions in the country:

- **FAP India Award for Social Inclusion:** NIES was honored with the Best School in Social Inclusion award, recognizing our efforts to create an inclusive and supportive environment for all students.
- **PM's Award for Best Schools in India:** We were ranked 10th in the PM's Award for Best Schools in India, an acknowledgment of our excellence in academics, sports, and community service.

Conclusion

The academic year 2024 has been one of remarkable growth and achievement for NIES. From academic excellence to sporting triumphs, from cultural innovations to social outreach, our students have excelled in all areas. While we celebrate these accomplishments, we remain committed to continuous improvement, ensuring that NIES continues to provide a nurturing environment where every student has the opportunity to thrive.

As we look to the future, we are driven by our mission to cultivate creativity, leadership, and excellence in every student. With the collective efforts of our

students, staff, and parents, we are confident that NIES will continue to soar to even greater heights in the years to come.

"Don't tell us the sky is the limit when there are footprints on the moon!"
